MEETING ROOM SET-UP AND STYLE

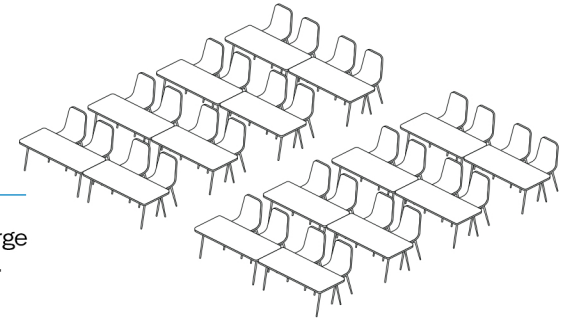

THEATER STYLE

Appropriate for short lecture or larger groups that do not require extensive note-taking.

CLASSROOM STYLE

Most desirable for long lectures. For large numbers, tables will need to be rented.

BANQUET STYLE

Normally rounds of 10 or 8. Used for meals and small group discussions. 5' rounds seat eight people comfortably.

U-SHAPE STYLE

A U-shape setup will help facilitate discussion with participants facing each other, but with one end up, U-shape setup is ideal for seminars and group meetings with presentations.

HOLLOW SQUARE STYLE

Appropriate for groups fewer than 40 where there is a group leader or panel seated at the head of the set up.

CONFERENCE STYLE

Conference Style Seating - Encourages audience interaction as they all face inward.
